Sweepstake guidelines

Sweepstakes are a great way to raise money on behalf of our Charity and can be used as part of an event or simply used on their own as a fun activity amongst friends and colleagues. There are, however, a few things you need to be aware of before you plan your sweepstake.

- 1 The entry price must be the same for all participants.
- 2 Before hosting your competition, you will need to decide whether the entry money will be split between the Charity and the winner of your competition or if there will be a separate prize for the winner. There is space on the sweepstake for you to confirm what the prize is before people enter their guesses.
- 3 If your sweepstake is taking place in an office or workplace, all entrees must all be employed to work from the same location.
- 4 You are prohibited from selling entry into your sweepstakes on the street or house to house.
