

Make a LOTTO difference

Helping to make a difference for our patients

Just £2 to play

How it works

Manchester Foundation Trust Charity's weekly lottery is promoted by the Giant Cash Bonanza Society.

You can buy up to two entries per person. Each entry will be allocated a unique set of numbers which are yours to keep for as long as you play.

Every Friday 30 lucky winners are selected at random. Prize cheques are then automatically posted to the winners, so there is no need for you to claim your prize. To enter you must be aged 16 or over.

You can check your weekly results online, and all results are available at mftcharity.org.uk/lotto

Win up to £10,000 and help make a difference for patients young and old

Our family of hospitals care for over one million patients from across the North West each year. Our lottery is a great new way to make a difference to these patients, both now and in the future.

Money raised by the lottery will directly fund projects that benefit patients being cared for by all hospitals in our hospital family, including Manchester Royal Infirmary, Wythenshawe Hospital, Royal Manchester Children's Hospital, Manchester Royal Eye Hospital, Saint Mary's Hospital, University Dental Hospital of Manchester, Withington Community Hospital, Trafford General Hospital and Altrincham Hospital. We do this by:

- Providing state-of-the-art and specialised equipment to help improve diagnosis and treatment of our patients
- Carrying out ground breaking medical research to help us better understand illnesses and identify better ways to treat them
- Supporting projects that help to create a more patient and family friendly environment for our patients and their families

Every £2 you play will support projects that make a difference to our patients, whilst also giving you the chance to win a weekly jackpot of £1,000 - with an additional chance to win a whopping £10,000 in our annual bumper jackpot draw!

When you play, you're making a real and lasting difference to our patients, and their families, now and for years to come. So go on, fill in this form to join today – and be in with a chance of winning up to £10,000!
