Guess the Number of Sweets in the Jar

Can you guess the total number of sweets in the jar and help raise money for Manchester Foundation Trust Charity?

Suggested donation: £

£

The prize:

For further information, please refer to the sweepstake guidelines you will have been sent with this sheet.

- Pay the suggested donation amount and write your guess along with your details on the form above.
- The answer has been recorded in a sealed envelope, which will be opened at the end of the sweepstake. The person who has guessed the correct answer, or closest to the correct answer, will win the prize. The money raised from this sweepstake will go directly to Manchester Foundation Trust Charity.

North Manchester General Hospital
Manchester Royal Infirmary
Wythenshawe Hospital
Royal Manchester Children's Hospital
Manchester Royal Eye Hospital

Saint Mary's Hospital
University Dental Hospital of Manchester
Withington Community Hospital
Trafford General Hospital
Altrincham Hospital

Manchester Foundation Trust Charity is registered with the Charity Commission as Manchester University NHS Foundation Trust Charity. **Registered Charity 1049274.**

The support that Manchester Foundation Trust Charity provides helps to make a difficult time easier for patients at our NHS Manchester hospitals at what can be a very emotional and daunting time.

With your help, the Charity supports projects which benefit our patients and their families, particularly when they have long or frequent stays in hospital.

We do this by focussing our fundraising efforts on three key areas – treatment, research and care. This can include the purchase of cutting edge equipment, funding pioneering medical research and creating a patient-friendly environment allowing our patients, and their families, to feel welcome and at ease during their time in hospital. But we can only do this with the help of our supporters. By supporting us today, you can help make a difference to the many patients we treat every year.
